

## Premium European Ankle Bracing

### Push® med Ankle Brace Aequi Flex, and ortho Aequi

Patented rigid medial support for ankle injuries

- Increases comfort due to position of rigid components
- Prevents inversion via diagonal strap secured to medial strut
- Allows dorsi / plantar flexion, with comfortable support that adapts to the ankle—flexible foam shell compresses, conforms to individual anatomy
- Promotes normal walking / running gait
- Worn over sock with lace-up shoe
- *Aequi Flex*: Controls edema with large lateral flap

Sizing: Right or Left Ankle

SIZE	INCHES	CENTIMETERS
1	10 1/2 - 12 1/4	27 - 31
2	12 1/4 - 13 1/8	31 - 34

Push ortho Ankle Brace Aequi

Assigned L-code L1902

### Push® ortho Ankle Brace Aequi Junior

Ankle support for growing children

- Provides support for moderate ankle instability
- Limits inversion / eversion yet allows dorsi / plantar flexion
- Allows normal gait and safe sports participation
- Provides compression with adjustable elastic straps
- Stabilizes ankle even without shoe

Sizing: Right or Left Ankle

For children 6-12 years old:

- Ankle measurement of 9 - 10 1/2" (23 - 27cm)
- Children's shoe sizes 12-5.5

Assigned L-code L1902

# Push® med Ankle Brace

## Replicates functional ankle taping

- Adheres brace to skin with internal silicone strips
- Limits inversion / eversion with non-elastic straps
- Stabilizes heel with integrated heel lock design
- Applies / removes easily with zipper opening
- Provides support without shoe (gymnasts, dancers)

Assigned L-code L1902

“It [the Push med Ankle Brace] is wonderful, fit is very good, size recommendations per chart were accurate. Push products are very high quality. Been using them for 30 years!”

— Lisa (therapist)

## Premium Comfort & Care

Push braces are designed in consultation with medical experts to be anatomically correct and provide optimal support with minimal impact on daily activities. They are made in Europe with premium quality, machine-washable materials for comfort and durability, and have a 90-day guarantee. Most Push products are made of Sympress™, a soft, moisture-wicking microfiber.

As the exclusive US distributor of Push braces, BraceLab is dedicated to customer satisfaction. We offer exceptional customer service with rapid response and trained support specialists 9am - 5pm EST, Monday - Friday.

## Ordering Push® Braces

- Order via website or phone with credit card
- Ask about our volume discounts, or how to establish purchase order/billing account

### To help your patients order directly:

- Print them a copy of the [Patient Information Sheet](#) from the relevant product webpage
- Help them determine the correct size
- Let them know they must file their own insurance; BraceLab is unable to assist
