

## Premium European Spine & Shoulder Bracing

### Push® med Back Brace

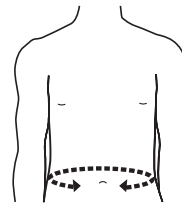

**Supports the lower back, reducing pain**

- Ensures proper positioning of the lumbar spine
- Allows specific adjustment of various reinforcing elements
- Adjusts compression via elastic bands, enhancing the support of the metal stays
- Provides comfort through a wide range of activities
- Does not show through clothing

Assigned L-code L0625

### Push® med Neck Brace

**Offers secure, comfortable neck support**

- Provides firm, anatomically-shaped support using semi-rigid foam
- Offers additional support via a removeable insert that rests on the breastbone (sternum) and the jaw
- Can be used without the insert for lighter support (when sleeping or later in the healing process)

# Push® med Shoulder Brace and Shoulder Brace Plus

## Shoulder immobilization without neck/shoulder strain

- Distributes arm weight comfortably across chest via lower arm angle adjustment
- Prevents blood flow constriction
- *Shoulder Brace Plus*: Comfortably supports hand and wrist with additional strap across the unaffected shoulder, guaranteeing a stable position of the lower arm

Push med Shoulder Brace Plus

Assigned L-code L3660

## Premium Comfort & Care

Push braces are designed in consultation with medical experts to be anatomically correct and provide optimal support with minimal impact on daily activities. They are made in Europe with premium quality, machine-washable materials for comfort and durability, and have a 90-day guarantee. Most Push products are made of Sympress™, a soft, moisture-wicking microfiber.

As the exclusive US distributor of Push braces, BraceLab is dedicated to customer satisfaction. We offer exceptional customer service with rapid response and trained support specialists 9am - 5pm EST, Monday - Friday.

## Ordering Push® Braces

- Order via website or phone with credit card
- Ask us about volume discounts, or how to establish purchase order/billing account

### To help your patients order directly:

- Print them a copy of the [Patient Information Sheet](#) from the relevant product webpage
- Help them determine the correct size
- Let them know they must file their own insurance; BraceLab is unable to assist
